Dear Sir/Madam

We would like to donate the amount of US\$458.56 in hope to improve the environment.

We are a group of students in the Business Studies Class at the International School of the Sacred Heart, in Tokyo Japan, concerned about the environment.

On February 2nd, we organized an event to make our school community aware of the environment, which 250 people of all ages, from children to grandparents attended. We showed the movie, "An Inconvenient Truth" by Al Gore, which is a documentary on the issues of global warming. We sold drinks, food, and had donation boxes to raise the money, in order to reach our purpose of being event planners to host this event.

We hope the money will be used for the environmental initiatives.

Please find enclosed Japan International Postal Money Order in the amount of US\$458.56.
Thank you very much.

Sincerely

The Business Studies Class
